RE: OLD BUSINESS

Tourism Initiatives:
Ms. Andrews reported that the meeting on tourism at the Hampton Inn on March 28th was very well attended with a variety of attendees from hospitality, restaurants, lodging, vineyards and even spaces attending as well as several members of the EDA. Laura Messer with the Virginia Tourism Corporation (VTC) facilitated the Strengths, Weaknesses, Opportunities and Threats (SWOT) analysis by building on existing information and working with the participants on expanding and elaborating on each category. Ms. Messer will compile the information and provide a report for review and consideration at the next Tourism Strategic Action Plan meeting taking place at the Hampton Inn on April 25th from 1:00 pm to 5:00 pm.

In anticipation of the meeting April 25th, the minutes from the March 28th meeting will be forwarded to the BOS and the Town Council and both will be encouraged to have representation at the April 25th meeting. In addition, the EDA will contact/meet with the Planning Commission to ensure that the comprehensive plan can include input from the Tourism Strategic Plan and the overall EDA Strategic Plan.

Mr. Holt will ensure that the 4/25 meeting is posted for the public.
